Accomplishments:

K9 Officer Daniel Sperano , prevented a United States Navy Veteran from an attempted suicide. K9 Officer Sperano was working an off- duty job at the Race Trac at 1461 Veterans Memorial Highway Mableton, GA 30126 when a concerned citizen reported to him a man was on the bridge at Veterans Memorial Highway at Riverview Road acting strangely. Upon K9 Officer Sperano’ s arrival at the bridge which is on the county line between Cobb County and Fulton County, K9 Officer Sperano encountered a black male who stated he wanted to die and was attempting to jump into the Chattahoochee River. K9 Officer Sperano immediately grabbed the United States Navy Veteran preventing him from jumping into the Chattahoochee River. Sperano and the veteran struggled for over three minutes as the veteran pleaded with Sperano to let him die. K9 Officer Sperano who is a United States Army Combat Veteran himself never gave up on the veteran and was able to subdue him until additional officers and medical personnel could arrive on scene to assist.
